

SA 3635. Mr. FEINGOLD (for himself and Mr. LEAHY) submitted an amendment intended to be proposed by him to the bill H.R. 4567, making appropriations for the Department of Homeland Security for the fiscal year ending September 30, 2005, and for other purposes; as follows:

At the appropriate place, insert the following:

SEC. __. DATA-MINING REPORT.

(a) DEFINITIONS.--In this section:

(1) DATA-MINING.--The term ``data-mining" means a query or search or other analysis of 1 or more electronic databases, where--

(A) at least 1 of the databases was obtained from or remains under the control of a non-Federal entity, or the information was acquired initially by another department or agency of the Federal Government;

(B) the search does not use a specific individual's personal identifiers to acquire information concerning that individual; and

(C) a department or agency of the Federal Government or a non-Federal entity acting on behalf of the Federal Government is conducting the query or search or other analysis to find a pattern indicating terrorist, criminal, or other law enforcement related activity.

(2) DATABASE.--The term ``database" does not include telephone directories, information publicly available via the Internet or available by any other means to any member of the public without payment of a fee, or databases of judicial and administrative opinions.

(b) REPORTS ON DATA-MINING ACTIVITIES.--

(1) REQUIREMENT FOR REPORT.--The head of each agency in the Department of Homeland Security or the privacy officer, if applicable, that is engaged in any activity to use or develop data-mining technology shall each submit a public report to Congress on all such activities of the agency under the jurisdiction of that official.

(2) CONTENT OF REPORT.--A report submitted under paragraph (1) shall include, for each activity to use or develop data-mining technology that is required to be covered by the report, the following information:

(A) A thorough description of the data-mining technology, the plans for the use of such technology, the data that will be used, and the target dates for the deployment of the data-mining technology.

(B) An assessment of the likely impact of the implementation of the data-mining technology on privacy and civil liberties.

(C) A thorough discussion of the policies, procedures, and guidelines that are to be developed and applied in the use of such technology for data-mining in order to--

(i) protect the privacy and due process rights of individuals; and

(ii) ensure that only accurate information is collected and used.

(D) Any necessary classified information in an annex that shall be available to the Committee on Governmental Affairs, the Committee on the Judiciary, and the Committee on Appropriations of the Senate and the Committee on Homeland Security, the Committee on the Judiciary, and the Committee on Appropriations of the House of Representatives.

(3) TIME FOR REPORT.--Each report required under paragraph (1) shall be submitted not later than 90 days after the end of fiscal year 2005.
