Department of the Treasury
2008-2009 Priority Guidance Plan

Joint Statement by:

Eric Solomon
Assistant Secretary (Tax Policy)
U.S. Department of the Treasury

Douglas H. Shulman
Commissioner
Internal Revenue Service

Donald L. Korb
Chief Counsel
Internal Revenue Service

We are pleased to announce the release of the 2008 – 2009 Priority Guidance Plan.

In Notice 2008-47, we solicited suggestions from all interested parties, including taxpayers, tax practitioners, and industry groups. We recognize the importance of public input to formulate a Priority Guidance Plan that focuses resources on guidance items that are most important to taxpayers and tax administration.

The 2008 – 2009 Priority Guidance Plan contains 314 projects to be completed over a twelve-month period, from July 2008 through June 2009. This year's plan will address a variety of issues, including recent legislation, conditions in the housing market, the current economic environment, and important international issues.

In addition to the items on this year's plan, the Appendix lists the more routine guidance that is published each year.

We intend to update and republish the Priority Guidance Plan during the plan year to reflect additional guidance that we intend to publish during the plan year. The periodic updates allow us flexibility throughout the plan year to consider comments received from taxpayers and tax practitioners relating to additional projects and to respond to developments arising during the plan year. For example, we updated the 2007 – 2008 Priority Guidance Plan to reflect the publication of guidance responding to current developments such as new legislation and changes in the economy.

The published guidance process can be fully successful only if we have the benefit of the insight and experience of taxpayers and practitioners who must apply the rules. Therefore, we invite the public to continue to provide us with their comments and suggestions as we write guidance throughout the plan year.

Additional copies of the 2008 – 2009 Priority Guidance Plan can be obtained from the IRS website on the Internet at <http://www.irs.gov/irs/content/0,,id=101098,00.html>. Copies can also be obtained by calling Treasury's Office of Public Affairs at (202) 622-2960.
