Manufacturing: Automotive

As one of the largest industries in the world economy, the automotive industry relies on advice from many areas of the law.

These corporations face an array of issues that Steptoe has the experience and skill to provide the legal advice necessary to maintain a competitive edge. We help protect intellectual property assets through ITC Section 337 proceedings, patent counseling, and litigation.

We also advise and litigate on other matters such as immigration, tax, antitrust & competition, products liability, and international trade.
