
Investing In Security: Vital Issues in Export Controls, FCPA, OCI, CFIUS and FOCI Webinar

February 1, 2012
Washington, DC

Stewart Baker, Fred Geldon, Stephen Heifetz, and Andy Irwin will speak at Federal Publications Seminars' "Investing in Security: Vital Issues in Export Controls, FCPA, OCI, CFIUS and FOCI" webinar on February 1, 2012. The group will address major due diligence issues when considering an investment in the national security space and highlight some of the areas that companies must consider. To register for the webinar, which will begin at 12:00 pm EST, [click here](#).
