Christopher Falcone

Christopher Falcone is an associate in the Washington office of Steptoe & Johnson LLP, where he is a member of the International and Regulatory and Industry Affairs Departments.

As part of the International Trade practice group, Mr. Falcone helps advise clients on international trade matters, including the use of duty reduction programs such as the Generalized System of Preferences (“GSP”).

In the Regulatory and Industry Affairs field, Mr. Falcone assists in helping companies comply with US regulatory regimes, including regulations concerning hazardous materials.

Prior to law school, Mr. Falcone worked as an economist at the US Department of Commerce, Bureau of Economic Analysis.
