

Bill Title	Introduction Date	Description	Issue Area	Likelihood of Enactment
REAL Political Advertisements Act (H.R. 3044/S. 1596)	5/2/2023	Provides further transparency and accountability for the use of content that is generated by AI in political advertisements by requiring a statement if generative AI was used to create video footage in the advertisements.	Intellectual Property / Watermarks / Deepfakes	Not Likely
Artificial Intelligence and Biosecurity Risk Assessment Act (H.R. 4704/S.2399)	7/18/2023	Requires the Assistant Secretary for Preparedness and Response to conduct risk assessments to address threats to public health and national security due to AI.	Intellectual Property / Watermarks / Deepfakes	Possible movement
Creating Resources for Every American To Experiment with (CREATE) Artificial Intelligence Act of 2023 (H.R.5077 / S.2714)	7/28/2023	Establishes the National Artificial Intelligence Research Resource which would provide curated data sets to train AI models and establish acceptable criteria for datasets.	Input Transparency	Possible movement
AI Labeling Act of 2023 (H.R. 6466/S. 2691)	11/21/2023	Requires generative AI systems to include a clear and conspicuous disclosure that meets specified requirements.	Intellectual Property / Watermarks / Deepfakes	Possible movement
Artificial Intelligence Environmental Impacts Act of 2024 (H.R. 7197/S. 3732)	2/1/2024	Requires the EPA and NIST to carry out a study on the environmental impacts of AI and the creation of a voluntary reporting system for reporting environmental impacts of AI.	Intellectual Property / Watermarks / Deepfakes	Not Likely
Black Maternal Health Momnibus Act (H.R.3305 / S.1606)	5/19/2023	Commissions a report to Congress on the use of innovative technology, including AI, in maternal health care.	Health Care / Insurance	Possible movement
Tech to Save Moms Act (H.R.5066 / S.1699)	7/28/2023	Commissions a report to Congress on the use of innovative technology, including AI, in maternal health care.	Health Care / Insurance	Possible movement
Artificial Intelligence and Biosecurity Risk Assessment Act (H.R.4704 / S.2399)	7/18/2023	Requires a risk assessment and the implementation of strategic initiatives or activities to address threats to public health and national security due to technical advancements in AI.	Health Care / Insurance	Possible movement
Simplify, Don't Amplify the IRS Act (H.R.2556 / S.1101)	45026	Requires the IRS to use AI to calculate an estimate of the tax gap.	Financial Services	Possible movement
Algorithmic Accountability Act of 2023 (H.R. 5628/S. 2892)	9/21/2023	Directs the Federal Trade Commission to require impact assessments of automated decision systems and augmented critical decision processes.	Multi-Issue Legislation	Not Likely
Algorithmic Justice and Online Transparency Act (H.R. 4624/S. 2325)	7/13/2023	Prohibits the discriminatory use of personal information by online platforms in any algorithmic process and require transparency in the use of algorithmic processes and content moderation.	Multi-Issue Legislation	Not Likely

Bill Title	Introduction Date	Description	Issue Area	Chamber	Likelihood of Enactment
REAL Political Advertisements Act (H.R. 3044/S. 1596)	5/2/2023	Provides further transparency and accountability for the use of content that is generated by AI in political advertisements by requiring a statement if generative AI was used to create video footage in the advertisements.	Intellectual Property / Watermarks / Deepfakes	Both Chambers	Possible movement
