Event Details
Join Steptoe’s Government Contracts Group for a complimentary 90-minute webinar on key elements of compliance and risk management programs for government contractors.

Date: Tuesday, October 20, 2015
Time: 12:00 p.m. - 1:30 p.m. ET

Contractors face increased demands to police their supply chains and the consequences of a failed supply chain risk management program can be severe. To help government contractors understand the legal and regulatory framework applicable to supply chain management and navigate supply chain risks, we created a Supply Chain Toolkit.

During the webinar, Steptoe lawyers will focus on the increased importance of supply chain management to contractor compliance and risk management programs and will discuss several Hot Topics in supply chain management, Supplier Selection issues, and Global Supply Chain considerations.

Featured panelists include:
- Tom Barletta
- Kendall Enyard
- Fred Geldon
- Paul Hurst
- Andy Irwin
- Mike Mutek
- Mike Navarre

CLE credit is pending in AZ, CA, NY, and VA.
