EU Blocking Statute vs. US Sanctions - Business as Usual in Iran?

October 25, 2018

Speakers
Meredith Rathbone, Guy Soussan

Overview

Event Details
Join Steptoe's transatlantic Economic Sanctions practice for a webinar concerning the expanded scope of the EU blocking statute. Following the US Administration's decision to re-impose secondary sanctions on Iran, which had been lifted under the 2016 nuclear deal, the EU has extended the blocking statute and is in the process of taking certain other steps in an effort to shield EU companies from the extra-territorial effects of the re-imposed sanctions.

Date: Thursday, October 25, 2018
Time: 4:00 p.m. - 5:00 p.m. CET (Click here for the time in your area)
