Overview

Michael Vatis contributed to the American Constitution Society’s (ACS) October 30, 2020 report advocating for reform of the Justice Department’s Office of Legal Counsel in a publication titled “The Office of Legal Counsel and the Rule of Law.” The report provides several recommendations to institute best practices, avoid politicization, provide greater transparency, and establish a new separation of powers charter.

The ACS promotes the vitality of the US Constitution and the fundamental values it expresses: individual rights and liberties, genuine equality, access to justice, democracy, and the rule of law.
